

Woodcraft Manningham is hosting a First Aid Training Course

When: 12.30 pm, Monday 6 May 2024

Duration: Approximately 2 hours

Where: Woodcraft Manningham Club Rooms

Fee: Free to club members

\$25 for spouses - who are encouraged to participate!

Maximum of 20 participants for this training session

Content:

- ⊕ Heart attack, including use of the defibrillator
- ⊕ Stroke
- ⊕ Serious cuts or bleeding
- ⊕ Eye injuries
- ⊕ Choking
- ⊕ Head injuries
- ⊕ Shock

This will be the same as the successful training last offered 22 Nov 2023.

First aid events at Woodcraft Manningham are thankfully rare. However, when these events do occur, knowledge of First Aid and a rapid response is extremely important.

This training course will be provided by an accredited and registered First Aid Trainer.

It will have some of the content of the certificate Course in First Aid Training, but will target incidents that can occur at the club, or in the home.

As this training will not be as comprehensive as the certificate course, no formal certificate will be issued.

Contact the Club President via email to reserve your place.
